

From our Board of Directors

Angel Sheets, President and Director

Angel and Steve met when she was 12 years old. He became her legal guardian when she was 14. They have 3 sons and 3 grandchildren. Gg's House was birthed when Steve told Angel that God told him they were to receive stuff and give it away. They had no idea where they would get it, or who they would give it to, but they were obedient. Seven years and three locations later, Gg's House is what it is today. Learning that other non-profit organizations often have restrictions such as where people live, their ethnicity and income, it was determined that Gg's House would serve everyone. While Steve is not an official board member, he is key to the operations of Gg's House. He maintains relationships with stores, picks up products and brings them to Gg's House. Angel and Steve have huge hearts that overflow with laughter, wisdom, and the love of their mutual best friend, Jesus.

Cindy Wilkins, Grant Writer

Cindy Wilkins, our grant writer is often known as Mama Bear. She is passionate about Dalmatians (she has 4) and Youth Theatre. She is Executive Director of STAGES Performing Arts Youth Academy and is one of our volunteers who can always find a way to get things done and encourages us to do so.

Diana Grossarth, Vice President

Diana began volunteering at Gg's House in 2019. Her main role at Gg's House is as a liaison between Gg's House and Old Town Closet. Not wanting to waste anything, we often share toys and clothing with Old Town Closet. Diana and her husband have a little "farm" where they raise bees and chickens.

Krystal Haynes, Assistant Operations Specialist

Krystal is the newest member of our Board. She has been a volunteer at Gg's House for several years and is at Gg's House most days we're open. She is our lifter of heavy items, ladder climber and our go getter organizer. She's willing to do any task with a smile and a "can-do" attitude and conveys a very caring spirit toward those in need. We're so lucky to have Krystal, as well as her family. All her boys and occasionally her husband help when needed.

Melanie Annes, Media Director

Melanie began volunteering with Gg's House in 2019 and is responsible for social media and communication with donors. She enjoys traveling and all things related to Vacation Bible School. She has three kids, now young adults. Melanie's background is in accounting and office management and her big claim to fame is winning the "fastest fingers in the north" award when she competed against other northern California high school students in a business machine contest her senior year of high school.

Terri Kramer, Secretary

Terri, an avid reader with 1,000 books on her "to be read" list, is our Secretary. She has the daunting task of keeping us on track at board meetings and making sure everything is documented. She has a wide array of volunteer experience including running a clothes closet, delivering products to Gg's House, distributing donated books and most notably is the brain and instigator of the Gg's House Community Easter Egg Hunt. Terri began volunteering at Gg's House when it was in the little blue garage of Steve and Angel Sheets' home.

Tina Reynolds, Treasurer and Operations Specialist

Tina's involvement with Gg's House began when she was seeking something to fill her time while her son went to High School. A good friend invited her to consider being Treasurer for Gg's House. After meeting the board and seeing what Gg's House was about, she agreed to volunteer as Treasurer in 2018. She has enjoyed watching Gg's House continue to grow and develop new projects and ideas to help people. Her involvement continues to grow in the daily inter-workings of Gg's House, and she is there most days of the week. If you have called or come to the door at Gg's House, you likely have spoken with her. Tina has a BS degree in Psychology with a minor in sociology and has an accounting clerk certification. She very much enjoys her two Shiba Inu dogs named Ollie and Kota. Tina has a very mild form of Cerebral Palsy which she says has taught her a lot about herself and others. She says, "I work with some amazing people which have turned into very good friends."

Sheila Harter, Communications Director

Sheila, a registered nurse by trade, communicates with local schools, nursing home facilities, and shelters. Teachers often contact her when they need something. Sheila has been known to load up her van and deliver goods to these organizations. She is the mother of two college age sons and loves traveling and animals. She has 3 cats, 2 dogs and a horse.

Merry Christmas from our "House" to yours.
